Re: Case No. 23-____-PET – Petition of Green Mountain Power for approval of its Zero Outages Initiative as a Strategic Opportunity pursuant to 30 V.S.A. § 218d and GMP’s Multi-Year Regulation Plan

Dear Ms. Anderson:

Enclosed please find Green Mountain Power’s (“GMP”) Petition requesting approval of its Zero Outages Initiative as a Strategic Opportunity under its approved Multi-Year Regulation Plan. GMP’s Zero Outage Initiative is described in the attached cover letter from GMP’s CEO Mari McClure and is supported by a Petition and the prefiled testimony and exhibits of Michael Burke, Josh Castonguay, and Laura Doane.

GMP looks forward to discussing this work with the Commission as it reviews this Petition and will develop with the Department of Public Service a proposed schedule to facilitate the review process. We will be happy to coordinate with the Commission on a workshop, as well as on any customer notice and public hearing in this matter.

Thank you for your review of this filing. If you have any questions, do not hesitate to contact me.

Sincerely,

Geoffrey H. Hand, Esq.
